

Whirlow Spirituality Centre

Our purpose

Whirlow Spirituality Centre exists to encourage, support and resource spiritual development of individuals and communities in the Christian faith.

Inspired by the Christian virtues of faith, hope and love we offer:

- a place of silence, space and stillness for people of any faith or none
- a place of generous hospitality and sanctuary
- a place for individual and communal transformation
- a place of learning and encounter

Our values

God is at the centre of everything we do

Time and people are precious – neither should be rushed

We seek to prioritise those on the margins

We walk lightly on the earth

We offer

- A rich and diverse programme of prayer and retreat events drawing from a breadth of Christian traditions
- Regular reflective worship services
- Thoughtful and engaging study of the Bible
- Opportunities to grow in Christian spirituality and discipleship
- Space for individual and group retreats
- A well-resourced Christian Spirituality library
- A welcoming, eco-friendly and high-quality venue for hire
- Grants to support and resource individuals and communities in their Christian development

Hidden in a quiet corner of Whirlow we are a place of individual and communal transformation where people can encounter the love and spaciousness of the living God, experience personal renewal and be nurtured in their calling to make a difference in the world.

Whirlow Spirituality Centre is a successor institution to the Whirlow Grange Conference and Spirituality Centre, managed by Whirlow Grange Ltd.

The Chapel of the Holy Spirit is a 'Chapel of Ease' of All Saints, built and consecrated in 1958 funded by the bequest of Miss Enid Hague.

We are an Anglican Foundation with an ecumenical vision - run in partnership between Whirlow Grange Ltd and All Saints Ecclesall.
